MEMORANDUM FOR: Dr. Guthe

All thanks to your Transportation Branch for its especially fine help and cooperation in preparing recent studies on the Chinese Communist military threat to India.

25X1A9a

In particular our highest commendation to [REDACTED] [REDACTED] for his outstanding contribution and splendid work in coordinating these papers with the intelligence components of the Department of Defense. I don't know what we would have done without his cool and cheerful authoritativeness.
